### **Project Summary:**

This PIA covers the establishment of Calgary Mosaic Primary Care Network's (PCN) after-hours clinic. Health Link Calgary is a partner in this initiative, providing triage services for patients and referring patients to the Mosaic after-hours clinic.

Approximately 15 PCN member physicians are on the active roster and participate in covering shifts at the clinic. After each appointment, the clinic sends all patient information back to the patient's family physician within 24 hours. Currently, clinic patient records are maintained as paper charts.
